

Quotation Clauses

1. All **GEEST LINE LIMITED** quotations are transacted under the following conditions:
 - a. Port to Port sea freight movement (whilst on the vessel) – per Geest Line Bill of Lading terms & conditions.
 - b. Anything other than above will/is accepted and treated as per British Freight Association (BIFA) Standard Trading Conditions (STC) 2005A, Geest Line membership no. 3187.
2. An indicative rate of exchange has been used, exchange rates are updated and allocated weekly.
3. The validity of the quotation only applies to the Ocean Freight rate but does not include surcharges or third party increases beyond our control.
4. All rates are subject to Destination Terminal Handling Charge (DTHC) with the exception of Barbados, Dominica, and Guyana, which are FAS (Free Along Side) which are 'payable locally'.
5. Measurement used for calculating breakbulk shipments is: W/M, whereby W = Weight & M = Measure one to one, whichever yields the greater, subject to a minimum.
6. Geest Line reserve the right to withdraw/cancel any quotation at any time should circumstances beyond its control so dictate.
7. Geest Line reserve the right to apply a daily interest charge of 8% on any unpaid debts.
8. Geest Line operate a 5 full pallet minimum for LCL reefer cargo per port of discharge. Cargo will only be shipped once the minimum is met.
9. Ocean freight minimum charges:
 - a. Breakbulk general cargo – USD 150.00 *
 - b. Breakbulk reefer/chill cargo – USD 270.00*

* Subject to commodity, volume, weight

10. Data Privacy: The contact details you provide us will be processed by Geest Line in order to provide you with the service. This data will only be held by Geest Line, it's agencies and representatives relating to the service and not used for any other purpose.
